

Hugh Purvis 2010 Reunion

GOLF SHIRT/TEE SHIRT/HAT - ORDER FORM INFORMATION

Shirts and hats will be available upon your arrival at the St. Louis Reunion.

The shirts are custom ordered, and **unfortunately we can not entertain returns or exchanges.** There **will not** be any extra shirts available for purchase at the Reunion.

If you want a shirt or a hat you need to order it so Wade Botsford gets the form before May 10, 2010.

The Golf shirts are produced for us by Lands End. Lands End sizing and colors are available by reviewing any of their catalogs, or by visiting their website www.LANSEND.com.

The Tee shirts are 100% cotton, and of a very good quality so you will not experience a lot of shrinkage or fading.

The Hugh Purvis ball cap is the popular "light stone" or "Navy" color with the sandwich bill highlight in a contrasting color. It is real nice, embroidered front and back with our design. The picture does not do it justice.

Shipmates who are unable to attend the reunion, but wish to order shirts or hats, will be charged a shipping and handling fee to cover expenses. If you order more than one item, the total cost of shipping will be adjusted so you don't pay the maximum, just what it costs us to get it to you. If we owe you a refund because of overpayment we will send it to you after the reunion.

Got questions???? Call Secretary Wade "the hat czar" Botsford at (920) 208-0519 or

You can count on Shipmate Wade to produce a quality product with tasteful logos properly placed to ensure your satisfaction. The shirts are really nice, the hat is even better!
